

# MRVA KIWI VOLLEY 2023

## IN-SCHOOL PROGRAMME BOOKING

In 2023 MRVA have received funding from Tu Manawa to help pay towards the delivery of 6 low decile schools with a focus of NET & WALL GAMES- Emphasis on Volleyball. This form has been emailed out to these low decile schools in Manawatu. Some of you have had us come in to deliver, and that is all good as we know there will be new students coming through for years 4-8.

This in-school delivery programme is 5 weeks long and for years 4-8, and sessions may vary between 30-45mins long (dependent on the schools availability and timetable). The programme has slightly changed from previous years where we would come in and deliver ourselves without teacher input. This year for 2023 funding purposes we have teamed up with the Sport Manawatu Healthy Active Learning team to deliver sessions which will train the teacher to be able to take the delivery on their own. MRVA will help coach develop the teacher and ask that the teacher is present and watching and taking notes. The idea is for the teacher, come week 5 to fully take the lesson on their own with our support. This is to help the programme become more sustainable and also to support volleyball in schools for teachers to be able to run a practice for our leagues for their own school teams.

MRVA would like to offer 6 free spots to low decile schools to help get inactive youth active and we hope that volleyball can be a driver of this with its social game, team engagement, friendships built, and fun vibes. Please use the form below to get your EOI back to us to tentatively book in your 5 week slot for 2023, please be aware that we will also require some surveys and data to report back on after delivery. Please see the attached document outlining the sessions and content and goals to achieve. First in first served for the 6 spots.

Please fill out the form below in as much detail as possible and send back to [natalya.taylor@volleyballmanawatu.co.nz](mailto:natalya.taylor@volleyballmanawatu.co.nz) to book your school in for in-school delivery 2023, first in first served- I may have to come back to you if there is a clash with another school wanting the same day, same weeks in the same term. Please try to have a hall available for wet weather.
