

# REGIONAL REFEREE WORKSHOP 2023

This workshop is for all IPC interested coaches and Premier League coaches as a way for them to enhance their own learning around rules and protocols at Regional Level which is compulsory for teams at IPC to have regionally qualified referees within their team. MRVA are enforcing for our coaches to attend so we at least have an overall better understanding around refereeing at this level. During the workshop you will attend the power point presentation and complete an open book exam. If you pass the exam then you will become a Regional Candidate which we can therefore progress into Physical testing during competitions. We are offering all these coaches free entry as well as a selected few athletes for free (invite only). If we have space to have non-invited people attend then please get in touch if you have anyone wanting to attend- cost is on them or the school, they will be added onto a waiting list as we can only have limited numbers.
